## Profile

Second-year Computer Science student with a strong work ethic, good interpersonal skills, and a results-driven mindset. Confident in collaborating within teams and thriving under pressure to deliver high-quality outcomes. Actively seeking a summer internship to apply and develop my technical skills, contribute to innovative projects, and gain valuable industry experience before my final year.

## Education & Qualifications

### University of West London (2023 – present)

Bachelor of Science in Computer Sciences, second year

### The Compton 6<sup>th</sup> Form, 2020 - 2022

A Level: Chemistry (B), Accounting & Finance (A), Mathematics (B)

AS Level: Accounting & Finance (A), Chemistry (A), Mathematics (A)

### The Compton School, 2015 – 2020

GCSEs: 10 4-9s, including Mathematics (8), Chemistry (7), Physics (7)

UK Mathematics Challenge: Bronze, Silver

## Employment status

### Online Team Leader

#### *Morrisons, August 2024 – present*

- Led a team of 15+ members and consistently outperformed key metrics by as much as 5%
- Fostered collaboration with 50+ colleagues in a high demand department in alignment with management goals, achieving over 95% positive staff feedback
- Collaborated seamlessly with other departments to ensure smooth operations, effective communication, and alignment of cross-functional objectives.

### Customer Assistant

#### *Morrisons, June 2024 – August 2024*

- Provided exceptional service in a fast-paced environment, ensuring optimal customer satisfaction and efficiency
- Developed strong interpersonal and communication skills through daily customer interaction and collaboration with staff colleagues and managers

### Sales Consultant

#### *Heals, January 2023 – June 2024*

- Sales consultant, exceeding sales targets by over £5k per sales period while building strong relationships with customers and fostering repeat business.
- Trained new colleagues, contributed to a positive team environment, and gained valuable retail experience.

### Amazon Warehouse Operative

#### *Amazon ULO6, September 2022 – January 2023*

- Thrived in a dynamic and fast-paced work environment, demonstrating the ability to remain effective under pressure while adapting to the challenges of the role.
- Developed key skills in attention to detail, time management, and problem-solving.
- Gained a deeper understanding of customer satisfaction, recognizing the importance of effective communication and quick decision-making to resolve issues and provide the best possible customer experience.

### Private Tutor

#### *Self-employed, June 2021 – present*

- Provided one-on-one tutoring to GCSE students, particularly from disadvantaged and low socioeconomic backgrounds, helping them bridge the gap to AS Level education in subjects like Maths and Chemistry.
- Developed strong communication, teaching, and interpersonal skills by building relationships with students, which would be highly beneficial in collaborative, team-based environments.

### Deloitte Internship

#### *Aspire Program, July 2021*

- Gained valuable insights into the corporate working environment at Deloitte by engaging with employees across various departments, learning about the expectations and structure of different roles within the company.
- Developed essential skills in teamwork, communication, and problem-solving through hands-on experiences and collaboration with diverse teams.
- Enhanced understanding of professional work culture and what it takes to succeed in a corporate setting, preparing me for future internship opportunities.
